

Name: Jasmine Cieszynski

Institution: Olivet Nazarene University

Title: Instructional Services Librarian

Goal 4 Comment: Goal 4. Please revise to include Digital fluency competencies:

"A state's investment or interest in developing human capital can be measured by the early childhood development programs, the P-20 alignment of curriculum, the rigorous math, science, and digital information fluency classes offered to middle and high school students, and the availability of career, technical/vocational, and information/technology skills in secondary and post-secondary levels of education." (p. 5, fourth paragraph)
