Above and beyond the course requirements and recommendations for general admissions, please provide any programs/majors/departments/colleges that have additional requirements and recommendations stated in policy and used in the admissions process. Include reference as to where the requirements or recommendations can be found (i.e., catalog or website).					
	Colleges	Departments	Programs	Majors	Notes
Name			While all students who meet the minimum UIS admission requirements are admissible, a small number of academic programs have program-specific conditions required for full admission. Information can be found in the current UIS Catalog (see below).
