

Public University: Chicago State University

Academic Year: 2024-2025

	General Admissions
Course Requirements	<p>All applicants must have successfully completed the following high school courses (one unit equals one year).</p> <p>English. Four units (three of which must be courses emphasizing written and oral communication and literature).</p> <p>Mathematics. Three to four units of college preparatory mathematics, including one year of geometry and one year of advanced algebra and/or trigonometry. For students intending to major in mathematics, science, business, or engineering, four years of college preparatory mathematics are very strongly recommended. Further, all students, regardless of intended major, are strongly encouraged to take a mathematics course or a course with a mathematics prerequisite during the year before they enroll in a mathematics course at CSU.</p> <p>Science. Two to three units (two of which must be courses in the physical or biological sciences).</p> <p>Social Studies. Two to three units (one of which must be U.S. history or a combination of U.S. history and government).</p> <p>Foreign Language, Art, Music, or Vocational Education. One to two units (one of which must be course work in foreign language, art, or music).</p> <p>Additional Course Work. Up to three units of the required fifteen may be distributed throughout any of the five categories of course work listed above. Vocational education may satisfy up to three of the units.</p>
