A Thriving Illinois

A thriving Illinois has an inclusive economy and broad prosperity with equitable paths to opportunity for all, especially those facing the greatest barriers.

A Plan Built on Core Principles

Students are our priority.

Equity drives our system.

Higher education is a public good that enriches life.

Our diverse institutions work in concert.

We reinforce the P-20 education continuum.

Talent, research, and innovation drive our economy.

GROWTH

Our state's universities are hubs of research, discovery, and innovation that continue to drive the economy forward and contribute to Illinois' growth.

Close Equity Gaps for Students Who have been Left Behind

We need a higher education system in Illinois designed to meet the needs and lead to the success of historically underserved and underrepresented students, with particular attention paid to Black, Latinx, Low-Income, rural, and working adult students, so that all students can thrive.

Build a Stronger Financial Future for Individuals & Institutions

SUSTAINABILITY

Affordability is one of the biggest barriers to higher education access and success, especially for low-income students, students of color, working adults, rural students, and many others who are underserved by the higher education system.

Strategy 1 for a Thriving Illinois: Invest in public higher education through an equitable, stable, and sufficient funding system

SUSTAINABILITY

Build a stronger financial future for individuals and institutions.

Provide equitable funding so that students can receive the best educational experience and succeed

Support a thriving postsecondary system that enriches the state and its residents

Fund institutions sufficiently to achieve student, institutional, and state goals

Ensure affordability for all students

Recognize institutional uniqueness

Provide predictability, stability, and limited volatility
