
ILLINOIS COMMISSION ON EQUITABLE PUBLIC UNIVERSITY FUNDING

POTENTIAL RESOURCES FOR ILLINOIS COMMISSION ON EQUITABLE UNIVERSITY FUNDING

Resource Workgroup

1. Johnson, N. (2017) Understanding Higher Education Finance: Sources of Postsecondary Funding and Implications for Low-Income Students. Postsecondary Analytics

https://postsecondaryanalytics.com/wp-content/uploads/2022/04/PSA_Higher_Ed_Finance.pdf

- Describes most revenue sources institutions and students rely upon
- Key dimensions include magnitude, student focus, connection to enrollment and completion, flexibility, and volatility

2. Pew Charitable Trusts (2019) Two Decades of Change in Federal and State Higher Education Funding: Recent trends across levels of government.

<https://www.pewtrusts.org/en/research-and-analysis/issue-briefs/2019/10/two-decades-of-change-in-federal-and-state-higher-education-funding>

- Describes state and federal support for higher education
- Provides good overview of different categories and uses of funding

3. McKeown-Moak, M. and Mullin, C. Higher Education Finance Research: Policy, Politics and Practice. (2014). Information Age Publishing

- Graduate course level textbook with overview information.
- Chapters 4-5 on institutional revenues and state formula approaches
