Room 102
10am until 3pm

- I. Welcome (5 min)
Brian Durham, Executive Director, ICCB
Stephanie Bernoteit, Deputy Director for Academic Affairs, IBHE
- II. Opening Comments from SJR 41 Chief Sponsor (5 min)
Senator Pat McGuire, Chair, Senate Higher Education Committee
- III. Introductions and Perspectives on Remediation (30 min)
Brian Durham, ICCB
Council Members

Each Council Member shares their perspective on remediation in higher education. For example, faculty might share their experiences in supporting students who need help academically. Trustees might share how they have approached remediation from a policy makers' perspective, etc.

- IV. Norm Setting and Ground Rules (20 min)
Debra Bragg, Facilitator
- V. Using Design Thinking to Guide the Council's Charge (40 min)
Debra Bragg, Facilitator
- VI. Remediation Data in Illinois' Higher Education System (1 hour)
Nathan Wilson, Deputy Director for Academic and Institutional Effectiveness, ICCB
Eric Lichtenberger, Deputy Director for Information Management and Research, IBHE

ICCB and IBHE staff will take a deep dive into what the data tells us in Illinois about remediation. Council Members will have an opportunity to ask questions about the data.

- VII. Break and Lunch (40 min)
- VIII. Small Group Discussion (45 min)
Debra Bragg, Facilitator

Members will identify gaps in what the Council needs to know, what is missing in existing data on remediation, and what a clear plan to fill the gap should contain.

- IX. Small Group Report Out (20 min)
Deb Bragg, Facilitator
- X. Homework Assignment (10 min)

Deb Bragg, Facilitator
