Dear Higher Education Colleagues,

IBHE has been made aware of a few formatting and technical errors in the sexual misconduct climate base survey instrument that was sent to everyone last Fall. We wanted to inform you that we have revised the following:

1. Updated the skip logic before Question 48.
2. Updated the skip logic before Question 60.
3. For question 62, we removed response option f, which was a duplicate of response option a.
4. Updated the skip logic instructions to Section X: Student Outcomes
5. For question 85, we removed response options e and f, which were duplicates of response options a and b.

While none of these updates substantively changes the base survey instrument, we wanted to send you the updated Base Survey and Implementation Plan for your convenience. Additionally, we updated the Task Force Report to reflect these changes, which can be found on our website: [smcstf IBHE](https://smcstf.ibhe.org). If you have any questions about the changes, please contact us at [sexualmisconductsurvey@ibhe.org](mailto:sexualmisconductsurvey@ibhe.org).

Sincerely,

Ginger Ostro  
Executive Director  
Illinois Board of Higher Education
