A Thriving Illinois

A thriving Illinois has an inclusive economy and broad prosperity with equitable paths to opportunity for all, especially those facing the greatest barriers.

Built on Community Engagement

Sustained by Core Principles

Students are our priority.

Equity drives our system.

Higher education is a public good that enriches life.

Our diverse institutions work in concert.

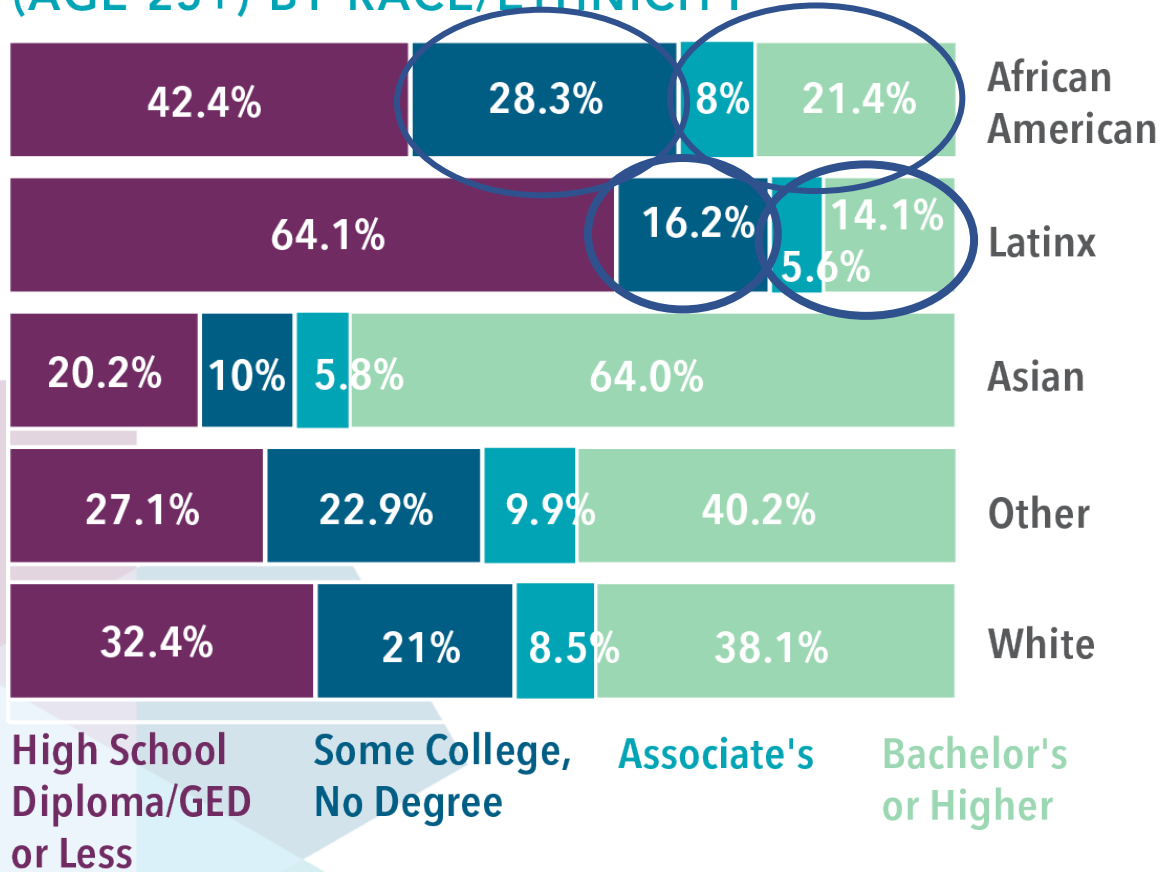

We reinforce the P-20 education continuum.

Talent, research, and innovation drive our economy.

Strategies for a Thriving Illinois

Close the equity gaps for students who have been left behind.

Build a stronger financial future for individuals and institutions.

Increase talent and innovation to drive economic growth.

Close Equity Gaps for Students Who have been Left Behind

We need a higher education system in Illinois designed to meet the needs and lead to the success of historically underserved and underrepresented students, with particular attention paid to Black, Latinx, Low-Income, rural, and working adult students, so that all students can thrive.

Strategies for a Thriving Illinois

Close the equity gaps for student who have been left behind.

1. Support **learning renewal and student supports**
2. Implement institution-level **equity plans and practices**
3. Use **equitable talent management** to increase and retain faculty, staff and trustees of color
4. Provide more pathways through **higher education for adults**
5. Consider a **direct admissions program** to simplify college search and admissions
6. Expand equitable access to **early college coursework** for high school students
7. Support implementation of **developmental education reform**
8. Expand **college access and support** models to improve college-going and completion

Close Equity Gaps for Students Who have been Left Behind

These recommended equity strategies incorporate data-driven and best practices that help to address the persistent equity gaps in higher education and lay the framework for an aligned higher education system that serves students independent of the path they take.

Build a Stronger Financial Future for Individuals & Institutions

Affordability is one of the biggest barriers to higher education access and success, especially for low-income students, students of color, working adults, rural students, and many others who are underserved by the higher education system.

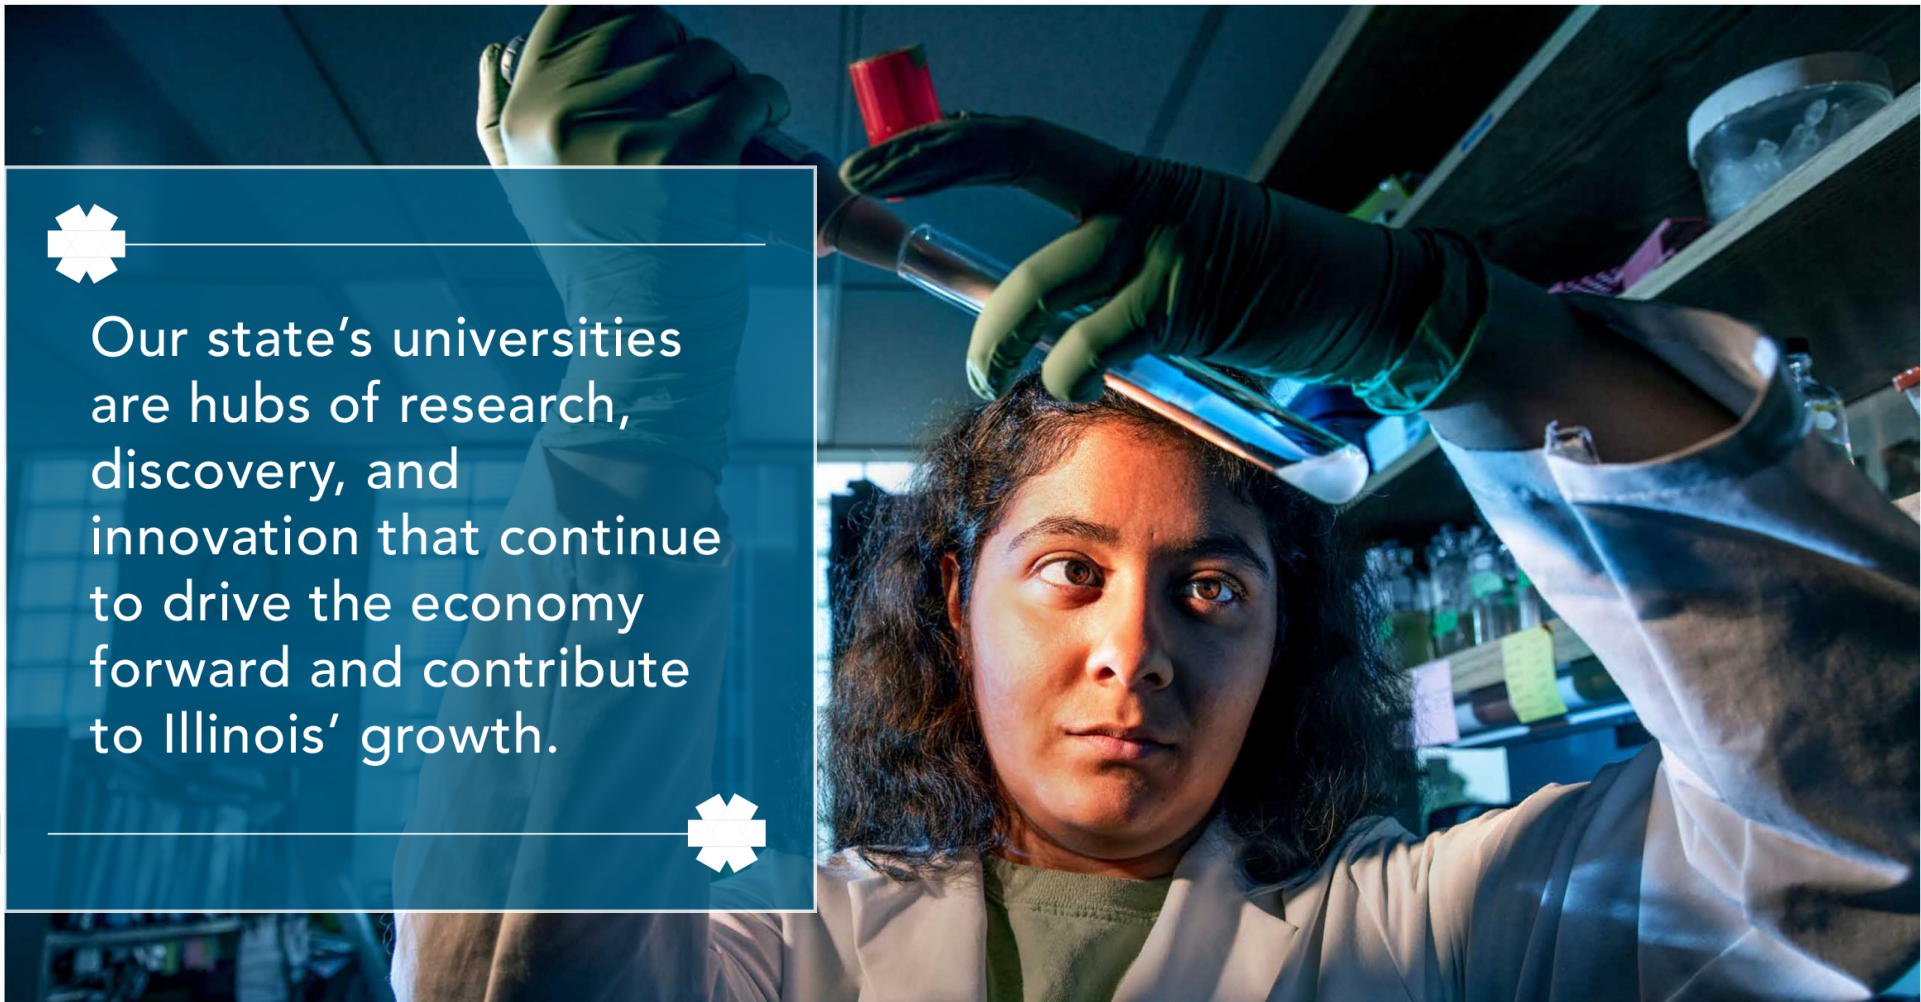

Strategies for a Thriving Illinois

Build a stronger financial future for individuals and institutions.

1. **Invest** in public higher education through an **equitable, stable, and sufficient funding** system
2. Increase **Monetary Award Program (MAP) funding to \$1 billion** over ten years
3. Allow MAP grants to be used for **year-round study**
4. Address the **challenge of “holds”** on student accounts that prevent them from completing their degrees
5. Support new **low-interest loan programs** through the Office of the Treasurer for low-income students
6. Encourage creative options for family **savings through Illinois’ 529 plans**
7. Pilot and expand **shared services** programs to reduce administrative costs
8. Expand **joint purchasing** among institutions

Increase Talent & Innovation to Drive Economic Growth

Our state's universities are hubs of research, discovery, and innovation that continue to drive the economy forward and contribute to Illinois' growth.

Strategies for a Thriving Illinois

GROWTH

Increase
talent and
innovation
to drive
economic
growth.

1. Leverage the **Illinois Innovation Network**
2. Establish a statewide **Business and Employer Advisory Council** to foster the growth of Illinois' talent pipeline
3. Align the state's **economic development and higher education** strategies, ensuring that both address historic inequities
4. Encourage high school graduates to **stay in state for college** and keep talent in Illinois
5. Establish a consortium of community colleges and universities to better serve the incumbent **early childhood workforce**
6. Expand higher education models of teaching and learning to prepare students for **success in the work of the future**
7. Enhance access to **teacher preparation** programs
8. Strengthen the **credit transfer system** to help students stay on track
9. Consider the role the **Private Business and Vocational sector** for workforce needs

Higher Education is the Path to a Thriving Illinois

The challenge of the next decade is to focus on creating broad, sustainable, and equitable paths to a prosperous future for every learner, leader, and community that we engage.
