PROPOSED AMENDMENTS TO RULES: DUAL CREDIT COURSES

Submitted for: Action.

Summary: This item requests approval of the proposed amendments to the rules for Dual Credit Courses. On August 11, 2015, the Board established by vote the Ad Hoc Academic Affairs Committee which had the charge “to consider Illinois Board of Higher Education (IBHE) oversight of postsecondary institutions in an era of diminishing State resources that support the regulatory and other critical functions of the Academic Affairs division of the IBHE.” Membership included Teresa Garate, Jane Hays, Alice Marie Jacobs, and Christine Wiseman, who conferred with Academic Affairs staff. Staff reviewed Code line by line and suggested amendments to the Ad Hoc Committee and incorporated their directives in further updating the Code. The objectives of review of multiple Code included: alignment, where relevant, across Code governing Academic Affairs oversight of public degree-granting institutions, non-public degree-granting institutions, and non-degree institutions; alignment across long-standing and new mandates (examples of the latter including Illinois participation in the State Authorization Reciprocity Agreement and implementation of the Dual Credit Quality Act); recognition of changes in higher education, such as expansion of competency-based learning and growing importance of non-degree completion credentials; and updating fees structures to effectively support the work of the IBHE in the current era. Stakeholders were engaged through meetings and webinars. The Private Business and Vocational Schools Advisory Council, the Proprietary Advisory Committee, the Faculty Advisory Council, the public institutions’ Academic Leadership group, and members of the Federation of Independent Illinois Colleges and Universities were all consulted and provided opportunity to provide feedback. The Office of the Illinois Attorney General and staff of the Illinois Community College Board were given the opportunity to provide feedback.

The Illinois Administrative Procedures Act specifies a three-step process for the proposal and adoption of administrative rules: (1) initial Board approval; (2) a publication and public notice period including a period for review by the staff and members of the legislative Joint Committee on Administrative Rules; and (3) final adoption by the Board.

Action Requested:

That the Illinois Board of Higher Education approves the proposed rule amendments to Dual Credit Courses (23 Ill. Adm. Code 1009) for publication in the *Illinois Register*.

PROPOSED AMENDMENTS TO RULES: DUAL CREDIT COURSES

This item requests approval of the proposed amendments to the Illinois Board of Higher Education rules for Dual Credit Courses.

On August 11, 2015, the Board established by vote the Ad Hoc Academic Affairs Committee which had the charge “to consider Illinois Board of Higher Education (IBHE) oversight of postsecondary institutions in an era of diminishing State resources that support the regulatory and other critical functions of the Academic Affairs division of the IBHE.” Membership included Teresa Garate, Jane Hays, Alice Marie Jacobs, and Christine Wiseman, who conferred with Academic Affairs staff. Staff met in person or remotely, by phone or webinar, on February 10, 2016, March 24, 2016, July 6, 2016, November 11, 2016, and April 26, 2017. Staff reviewed Code line by line and suggested amendments to the Ad Hoc Committee and incorporated their directives in further updating the Code. The objectives of review of multiple Code included: alignment, where relevant, across Code governing Academic Affairs oversight of public degree-granting institutions, non-public degree-granting institutions, and non-degree institutions; alignment across long-standing and new mandates (examples of the latter including Illinois participation in the State Authorization Reciprocity Agreement and implementation of the Dual Credit Quality Act); recognition of changes in higher education, such as expansion of competency-based learning and growing importance of non-degree completion credentials; and updating fees structures to effectively support the work of the IBHE in the current era.

The Private Business and Vocational Schools Advisory Council, the Proprietary Advisory Committee, the Faculty Advisory Council, the public institutions’ Academic Leadership group, and members of the Federation of Independent Illinois Colleges and Universities were all consulted and provided opportunity to provide feedback. The Office of the Illinois Attorney General and staff of the Illinois Community College Board were given the opportunity to provide feedback.

The need for one change to 23 Ill. Adm. Code 1009 was identified:

- Alignment of faculty qualifications with 23 Ill. Adm. Code 1030 and 23 Ill. Adm. Code 1050.

Once approved by the Illinois Board of Higher Education, the proposed amendments to the rules will be submitted to the Secretary of State for publication in the Illinois Register. The Illinois Administrative Procedures Act specifies a three-step process for the proposal and adoption of administrative rules: (1) initial Board approval; (2) a publication and public notice period including a period for review by the staff and members of the legislative Joint Committee on Administrative Rules; and (3) final adoption by the Board. Final presentation is scheduled for the December 2017 Board meeting.

Attachment 1 provides the administrative rule with the proposed amendment to subsection (a)(2) in Section 1009.30.
