- 4) *Re-allocate funds between projects, fund other projects as necessary, and allocate any remaining funds at the end of the fiscal year.*

IBHE staff reviewed 32 applications from Illinois institutions. The following table identifies the 32 institutions along with their estimated amount of students to be served by the grant, their requested funding amount, and the amount IBHE will award the institution.

Each institution will sign a grant agreement with the IBHE to receive funding. The grant period will be July 1, 2019 through August 31, 2020. The grant agreement with each institution will have four deliverable periods to report to the IBHE. Each deliverable will identify the expenditures incurred, identify grant activities, and total students placed with the grant for that respective period.
