

**FISCAL YEAR 2021 APPROPRIATIONS FOR  
HIGHER EDUCATION GENERAL ASSEMBLY ACTION**

**Submitted for:** Information.

**Summary:** The Illinois General Assembly adjourned on May 24, 2020. This item summarizes the general Assembly's action on the Fiscal Year 2021 budget for the State of Illinois related to higher education.

**Action Requested:** None.

STATE OF ILLINOIS  
BOARD OF HIGHER EDUCATION

**FISCAL YEAR 2021 APPROPRIATIONS FOR  
HIGHER EDUCATION GENERAL ASSEMBLY ACTION**

The General Assembly met under the extraordinary conditions of the COVID-19 pandemic in a short, four-day session, prior to Memorial Day, to consider a limited set of issues, including passage of the budget for Fiscal Year 2021. The sudden onset of the pandemic and the rapid and unprecedented decline in state revenues required a reassessment of the Governor's budget recommendations presented in February.

The budget that was passed for higher education operations provided funding equal to the Fiscal Year 2020 budget. To make up for the loss in state tax revenues, the overall state budget anticipates the state will borrow \$5 billion from the Federal Reserve, with the expectation that Congress will pass an additional round of COVID-19 relief to assist states.

For the state's public higher education system, still recovering from a long decline in state support and the loss of 70 percent of funding for public universities and community colleges during Fiscal Year 2016 due to the budget impasse, a flat budget is a relief, tempered by uncertainties for the future. An additional concern will be the decisions of tens of thousands of students whether to start or continue their studies and how that will impact revenue, and longer-term, the state's workforce and economy.

The budget reflects an additional \$50 million in federal funds through the Governor's Emergency Education Relief Funds, nearly half of the federal funds available to the Governor through these emergency funds. This is a sign of the strong commitment to higher education now in Illinois. In addition, the certified amounts for the State University Retirement System were included in the budget. The capital budget primarily re-appropriates funds for projects included in the Rebuild Illinois program passed in Fiscal Year 2020.

**Higher Education Budget Summary**

As noted previously, appropriations for general revenue higher education operations line items for Fiscal Year 2021 are the same as what was in the Fiscal Year 2020 budget. The lone exception is a \$52,000 transfer from the Illinois Community College Board (ICCB) GED testing line to the ICCB operations line. Appropriations from other funds are increased by \$54.6 million, primarily due to the federal Governor's Emergency Education Relief Funding provided through the CARES Act. In addition, the state university retirement system certified contribution was funded, adding \$141.3 million.

**Detailed Changes**

- **Federal Governor's Emergency Education Relief** – A total of \$50 million was added from the federal CARES Act. \$19 million is provided to the Illinois Community College Board for distribution to community colleges. \$31 million is provided to the Illinois Board of Higher Education, for universities.

- **Federal Adult Education Funding** – A total of \$3,325,000 was added for adult education programs, administered by the Illinois Community College Board, including \$3 million for programs and \$325,000 for program administration.
- **Chicago State University Education Improvement Fund** – Added \$1.4 million.
- **Illinois Math and Science Academy Income Fund** – Added \$114,000 to reflect additional funds received into the fund.
- **University License Plate Fund** – Appropriations to state universities from the license plate fund were reduced by a total of \$122,000. The changes were made to better reflect receipts into the fund for each university.
- **University of Illinois Special Funds** – The University of Illinois receives funding for several of its special programs from special funds. Their total appropriations from special funds for Fiscal Year 2021 was reduced by a net \$88,100. They will receive an increase of \$211,900 for the Illinois Fire Services Institute from the Fire Prevention Fund. The Emergency Mosquito Abatement program will receive \$100,000 less from the Emergency Public Health Fund. The Mosquito Research and Abatement program will receive \$200,000 less from the Used Tire Management Fund.
- **Capital** – The budget includes a total of \$3.427 billion in appropriations capital and capital renewal for public universities, community colleges and Illinois Mathematics and Science Academy, as well as \$110.4 million for emergency projects and cost escalations not assigned to specific institutions, and \$400 million for private colleges and universities. In addition, \$228 million was appropriated to the Capital Development Board for overall state needs and cost escalations. That funding can be used for a variety of state needs, including but not limited to higher education. grant.
- **State University Retirement System** – SURS received \$2.001 billion for Fiscal Year 2021 comprised of \$1.781 billion from General Revenue Fund, \$215 million from the State Pension Fund and \$4.6 million from the Health Insurance fund. This represents an increase of \$141.3 million or 7.6 percent over the SURS appropriation for Fiscal Year 2020.
