APPROPRIATION TRANSFERS FOR FISCAL YEAR 2023

The State Finance Act (30 ILCS 105/13.2) allows transfers among operating line item appropriations made from the same fund when the balance remaining in a line is insufficient to meet necessary expenditures from that line and the balance of another line is greater than needed. Total transfers for an agency in Fiscal Year 2024 cannot exceed eight percent of the total operations appropriation from the fund. Transfers from appropriations for personal services, state contributions to the State Employees Retirement System, employee retirement contributions paid by the employer, or state contributions for group insurance are prohibited. Transfers made among line items appropriated to the Illinois Board of Higher Education, public universities, and the Illinois Mathematics and Science Academy require the approval of the Board of Higher Education and the Governor through the Governor's Office of Management and Budget.
