STATE OF ILLINOIS
BOARD OF HIGHER EDUCATION

CONTRACTS APPROVAL

The Agency is seeking to enter into three contracts to enhance its IT capacity for data management, digitize records in order to fulfill student records requests in a more efficient manner, and to undertake a review of processes within the Professional, Business, and Vocational Schools unit to ensure timely review for applicants.

All three contracts are with vendors who have Master Contracts with the State of Illinois. The Agency has met with and negotiated scopes of work with all three vendors. The Agency is seeking to implement the digitization and consulting contracts in the next 6-8 weeks and the data warehouse contract in the next 90 days.

The Board is asked to approve the following contractual amounts.

Vendor: Com Microfilm Company
Project: Records digitization
Cost: \$440,000

Vendor: Gartner, Inc.
Project: PBVS review
