June 9, 2020

**NURSE EDUCATOR FELLOWSHIP PROGRAM
FISCAL YEAR 2021 AWARDS**

Submitted for: Action.

Summary: This item requests approval for the Executive Director to allocate the Nurse Educator Fellowship awards, pending an appropriation of funding in Fiscal Year 2021. The goal of this program is to keep well-qualified faculty in the Illinois nursing schools that prepare students to become registered nurses.

This program helps to increase the number of high-quality post-secondary credentials to meet the demands of the Illinois economy. Nursing continues to be a high-demand field that requires the retention of well-qualified faculty in higher education institutions to train nursing students. The fellowships help institutions recognize and retain their well-qualified nurse educators.

Action Requested: That the Illinois Board of Higher Education hereby authorizes the Executive Director to allocate the anticipated Fiscal Year 2021 appropriation for fellowship awards pursuant to the Board of Higher Education Act and in consultation with the Illinois Nursing Workforce Center.

STATE OF ILLINOIS
BOARD OF HIGHER EDUCATION

**NURSE EDUCATOR FELLOWSHIP PROGRAM
FISCAL YEAR 2021 AWARDS**

Participation in the Nurse Educator Fellowship Program is open to Illinois institutions of higher learning that offer a pre-licensure registered professional nursing program. The academic program must be approved by the Illinois Department of Financial and Professional Regulation and accredited by the Commission on Collegiate Nursing Education or the Accreditation Commission for Education in Nursing. Fellowship awards are salary supplements that, at the discretion of the Fellow, may be used for expenses related to professional development and continuing education.

To be eligible for a fellowship award, an educator must meet the following criteria:

- An Illinois resident;
- Awarded a master's degree or higher in nursing;
- Employed in a full-time nursing faculty position at an eligible institution;
- Employed by the nominating institution in a teaching position preparing registered professional nurses for a minimum of 12 months;
- Made significant contributions to the nursing program; and
- Did not receive a fellowship award in the past five years.

The chief nursing administrator is responsible for nominating an educator and submitting the nomination packet. Nominations are evaluated based on the strength of the administrator's nomination and the educator's personal statement regarding the proposed use of funds and employment plans. Other factors such as major accomplishments; distribution of fellows by state geography, by program degree level, and by sector of the institution; and tenure status are also considered. The staff of the Illinois Board of Higher Education and Illinois Nursing Workforce Center will collaborate on determining the Fellows.

An appropriation for the Fiscal Year 2021 program is anticipated. Each fellowship allocation is no more than \$10,000 and may be reduced if the appropriation is less than anticipated. Nineteen educators were selected for fellowship awards last year. Fellows will have an opportunity to participate in statewide nursing advocacy and will prepare a final report to describe their fellowship experience. The fellows and their nominating institutions for Fiscal Year 2021 will be provided to the Board at the December meeting.

Recommendation

The staff recommends the adoption of the following resolution:
