Master Planning and Policy Development

IBHE carries out its planning and policy responsibilities in a variety of ways, including ad hoc study committees, special task forces, staff initiatives, and more.

IBHE plans to initiate strategic planning commensurate with a new administration that focuses on equity, affordability, attainment, and workforce development. In 2008 the board approved the Illinois Public Agenda for College and Career Success and in 2013 commissioned a midpoint report, "The Public Agenda: 5 Years Later." The midpoint report identified four key areas for improvement – affordability, gaps for underserved students, adult degree completion, and IBHE’s role as education advocate.

External and Legislative Relations

The board and staff analyze legislation, respond to inquiries from legislators, meet with higher education committees, and coordinate activities with legislative liaisons from other higher education agencies, institutions, and organizations.

FY19 legislative initiatives enacted include: P.A. 101-180 – grants IBHE an additional 30 days for issuing the annual universities revenues and expenditures report; P.A. 101-354 – reduces the number of members on IBHE’s Diversifying Higher Education Faculty board from 21 to 11. Other bills impacting IBHE: P.A. 101-251 – requires IBHE to develop a Technical Assistance Center to assist universities and community colleges with the implementation and operation of the Mental Health Early Action on Campus Act; P.A. 101-93 – makes changes to the annual tuition and fee report issued by IBHE to include tuition assistance levels.

The board responded to media requests and communicated updates to partners and the public. External relations staff also support IBHE's Student Advisory Committee.

Academic Affairs and Program Review

The board develops and implements academic policies for Illinois higher education by reviewing/authorizing new postsecondary programs and institutions. Academic affairs staff also lead/participate in a variety of state and national higher education initiatives. Staff also administer the IBHE student complaint system, serving all Illinois students.

In FY19 there were 209 degree-granting institutions in Illinois. The degree-granting unit oversaw 21 new degree programs at public universities, 13 at community colleges, and 149 at private institutions; 3 new institutes, departments, or schools at public universities; 3 new authorizations for operating authority; and 181 transcript requests.

In FY19 there were 243 private business and vocational schools in Illinois. The private business and vocational schools unit approved 94 new programs of study, 128 new permits, and 133 renewals and processed 948 transcript requests.

Staff also received 233 student complaints and closed 88 complaints.

In FY19 academic affairs staff were involved with:

- Illinois Articulation Initiative and Distance Education
- Complete College America’s Co-requisite at Scale Initiative
- Multi-State Collaborative on Military Credit
- Illinois Postsecondary Workforce Readiness Act
- Educator and school leader preparation
- State Authorization Reciprocity Agreement (SARA)
- Academic program review of low-producing programs
- Dual Credit Authorization and Compliance
- Advanced Placement Exams
- International Baccalaureate Courses

Additional activities include high school to college transition and dual credit, Illinois learning standards, career pathways, completion initiatives, stackable credentials, competency-based education, and workforce development initiatives.
In FY19, $1.894 billion was appropriated from general funds for higher educational institutional operations and grants. The Illinois public universities received $1.1 billion, community colleges $268 million, adult education/postsecondary career and technical education programs $51.3 million, Illinois Student Assistance Commission $439 million (which includes funding for the Monetary Award Program), the Illinois Math and Science Academy $18.4 million; the State Universities Civil Service System $1.1 million; IBHE $2.8 million; and IBHE institutional grants and special Initiatives $7.3 million. In addition, the State University Retirement System received $1.37 billion from general funds and $215 million from the state pension fund.

IBHE issued the following annual reports for FY19:
- Higher Education Veterans Service Act
- Public University Tuition and Fee Waivers
- Revenues and Expenditures
- Compensable Sick Leave

Board staff provided administrative support for the Diversifying Higher Education Faculty in Illinois program, which aims to improve minority faculty representation through financial assistance. Additional duties of diversity and outreach include equal employment, annual quarterly report submissions to the Illinois Department of Human Rights, and review of adjudicated cases from public universities.

IBHE issued the following annual reports in FY19:
- Underrepresented Groups in Illinois Higher Education
- Illinois Employment Plans for Public Universities: African American, Asian American, and Hispanic

Task Force/Committees:
- Employment and Economic Opportunity for Persons with Disabilities Task Force (EEOPD)
- Illinois Terrorism Task Force (ITTF)/Campus Security
- Disability Services Advisory Committee

Information gathered and created in FY19 include student demographics; student-specific information on enrollment, retention, and degree completion patterns; faculty and staff information; cost to students; expenditures; and academic program cost. This information is made available to the public and other constituents via reports and dynamic web applications. IM & R staff also advanced work on the Illinois Higher Education Information System fully integrating student-level information into its public reporting systems and through the development of a course assignment system specific to developmental education and dual-credit. In partnership with other state agencies, IM & R staff developed a new data visualization tool that highlights transfer patterns within Illinois and launched an update of the IllinoisCollege2Career tool which provides parents and students with useful information on the college to workforce transitions for specific colleges and areas of study. IM & R staff also prepared IBHE DataPoints summarizing useful contextual information on higher education in Illinois.
Board Members, Committees, and Meetings

The board is comprised of 16 members. A variety of committees advise and advance the board’s work. The board holds four meetings each year with occasional special meetings as needed.

Student board members are selected by the IBHE Student Advisory Committee; all other members, including the chair, are appointed by the governor.
